EDUCATION

University of British Columbia

Expected Graduation May 2030

Bachelor of Applied Science – Manufacturing Engineering

- Co-op Availability: 4-16 months beginning May 2027

TECHNICAL SKILLS

Design: SolidWorks (CAD), Fusion 360, MATLAB

Software: C/C++, HTML/CSS, Microsoft Office Suite

Hardware and Mechanics: Engine mechanics and troubleshooting, fabrication, electronic circuit design

Certifications: Class 5 Alberta Drivers Licence, Occupational Standard First Aid

TECHNICAL PROJECTS

Cafe-Racer Motorcycle Fabrication | Personal Project

Dec. 2024 – Aug. 2025

- Designed and fabricated a functional 50cc cafe-racer style motorcycle capable of up to 80 km/h
- Integrated frame, power system dynamics, and fuel systems into a complete working vehicle
- Performed mechanical assembly, tuning, and iterative modifications to improve reliability and performance, while considering manufacturing and replicability in hardware sourcing, ease of assembly, and serviceability

Aluminium Autonomous Claw | University of British Columbia

Jan. – Feb. 2026

- Designed an autonomous claw, achieving first place in competition against 12+ teams
- Developed a functional prototype in a flexible design process, considering risk management and exploratory design prototyping
- Considered manufacturing replicability and sustainability in materials use and assembly weighted against performance

WORK EXPERIENCE

Silver Springs Golf and Country Club | Calgary, Alberta

Sept. 2023 – Aug. 2026

Member Services Team Member

- Assisted members and guests in a high-volume environment, while delegating and tackling tasks with other team members to improve workflow efficiency
- Operated golf operations equipment while coordinating with team members to ensure efficient work output

CHS Window Cleaning | Calgary, Alberta

Jun. 2023 – Aug. 2025

Co-Founder

- Led direct-to-consumer sales operations through residential window cleaning contracts
- Managed advertising and digital presence, client communication and sales contracts, equipment and employee transportation, and business finances in smooth business operation

VOLUNTEER EXPERIENCE

Westmount Charter School | Calgary, Alberta

Sept. 2023 – Jun. 2025

Logistics Director and Grade Representative

- Coordinated logistics for 10+ events, managing scheduling, delegation, budgeting, and communication with staff and council leaders
- Used Excel and Microsoft Office to track planning, budget allocation, and operational tasks after elected to represent a populace of over 1000 people

United Traditional Taekwondo Canada | Southern Alberta

Jan. 2019 – Present

Volunteer and Lead Competitor

- 7+ years of volunteer experience teaching and in event operation across Alberta
- Mentorship to teammates while competing in local and international competitions

Interests and Activities

Martial Arts | Cycling | Skiing | Automotive Repair
